GURUDEVA JAYANTHI SOUVENIR - 1990

Sree Narayana Association

OF NORTH AMERICA, INC.

P.O. BOX 1535 • NEW ROCHELLE, N.Y. 10801

PRESIDENT'S MESSAGE

Narayana Guru envisioned a world of understanding. Understanding of each others ideas, ideals and thoughts. His message was to make a better human society based on freedom, prosperity, love and equality.

This organization was established with the aim of propagating this message to the society. But as the time goes by like many organizations formed for this purpose, but deviated from its goal, this organization is also going away from its object. There may be times when personal priorities and proposals fall asides when tested with that of other individuals. But the final product of the ideas and ideals coming out of the testing field should be accepted by all and acted on with all your ability and vigor. That is the only way we can achieve our noble goal. Our goal is passing on the message of equality, love, freedom, understanding, compassion and hard work given by Narayana Guru.

Narayana Guru or his ideas and ideals were not intended for a few individuals or a particular community of Kerala or India. It was a universal message intended for the Human Society. Let us not try to confine Narayana Guru and his ideas to a cell encircled by a few individuals of a community. Let his thoughts be known by all. This shall make a better world for all. Today on this auspicious day take a vow to work together along with all those who can help us to attain our goal. Let all the noble thoughts come to us from all directions and let us supplement it with our hard work.
