CHAIRMAN'S MESSAGE

It is a great pleasure to bring greetings from all the office bearers of the Sree Narayana Association of North America on its 15th annual meeting and the 140th birthday celebration of Sree Narayana Guru. This has been a year of major changes in our association as we have adopted the new constitution. The transition has been very smooth and the functioning of the association has been very efficient. There is a renewed enthusiasm in each and every one of the members with a determination to go forward with a common goal.

The renewed enthusiasm is reflected in the increased membership and in the increased number of participants at the functions of the association. Further, our association is attracting members from different parts of the country thus becoming a truly national organization.

With the consolidated effort and determination, our association can laid strong foundation for future projects — say a place of assembly, a library, various youth programs or cultural activities.

Let us celebrate Sree Narayana Gurujayanthi and get the blessings by following the footsteps of Sree Narayana Guru.

Very Sincerely,

Dr. Raju Pullarkat
(Chairman, Board of Trustees)
