EDITORIAL NOTE

Gurudeva Jayanthi reminds the love and legacy of Sree Narayana Guru who said: "He who loves is who really lives."

Onam reminds the good old days when Mahabali's benign rule bestowed benevolence on the people.

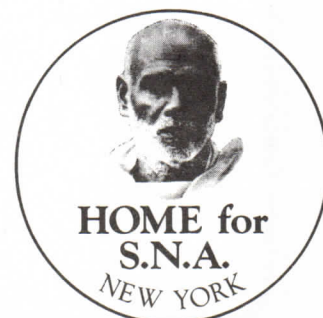

Sree Narayana Association's 17th Anniversary reminds the efforts of a handful of Sree Narayanites joining together to form an organization with a view to spreading the ideas and ideals of the Guru.

On this auspicious occasion, let us rejoice and rededicate ourselves to relentlessly work hard for bringing a difference for the better in the life of the people keeping in line with the Guru's dictum. This Souvenir is a humble step in that noble path.

Our sincere thanks to all the advertisers who have allowed us to encroach upon their generosity. Our deep appreciation and thanks to all those who put in their time and tirelessness to bring out this publication.

We have tried to make the Souvenir informative and enjoyable. How much we have succeeded in that endeavor? You, the readers, are the judges. Let us leave it to you.

The views expressed in this Souvenir are those of the individual writers and not of the Association.
