EDITORIAL

Dear friends,

We are standing on a cross walk. We don't know in which direction to go. There are different directions that we must choose from. We don't know which one is the right path to follow. There is a little bit of confusion.

The wheel of time is turning in its normal rhyme and rhythm. We are getting older, where as the children are growing faster. Some of them are in High Schools and Colleges. We have our own problems and they have theirs. They have to deal with peers-pressure and cultural conflicts. We are all living in "TRI SANKU's HEAVEN," hanging in between; looking for help from any direction.

We need the right vision and direction to overcome this situation. A group of people can serve much better than an individual would. "Strengthening yourself by organization." Narayana Guru said, one of the main goals of Shri Narayana Association is to help others in these kinds of situations. This souvenir is another step by this Association to the right direction. May the blessings of 'Guru' always be with you to get the right direction to you and your family.

We express our sincere gratitude to those who contributed articles and advertisements to this souvenir.

Thanking you
